

# Introduction for Dan Poynter

You can make a **difference** and make a **living** with your book. A book will bring you more credibility, fame and a new profit center.

You have the **ingredients** to be a successful, published author, Dan Poynter has your **recipe**.

This presentation provides a complete overview of book **researching, writing, publishing, distributing** and **promoting**.

Since 1969, **Dan Poynter** has written more than 100 books He has learned a lot about the craft.

Dan does not just **work** in the book publishing business, he **studies** the book publishing business.

He doesn't just **talk** about book promotion, he **teaches** book promotion.

Now, you are about to learn the inside secrets to book **writing, publishing** and **promoting**.

It gives me great pleasure to introduce "Mr. Publishing," **Dan Poynter**.
